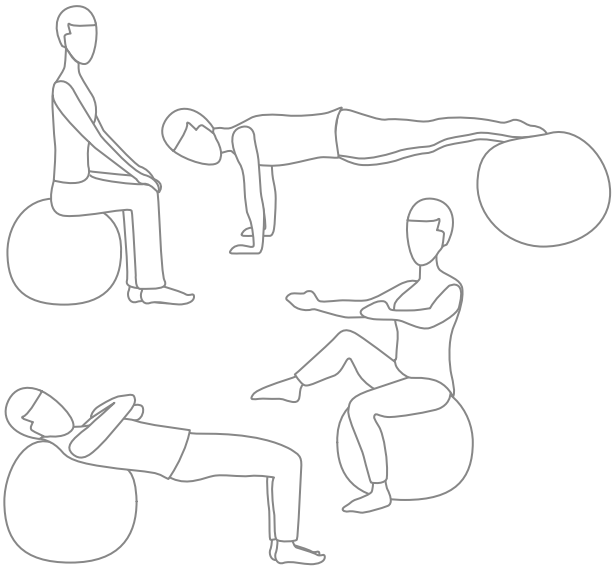
GYM BALL EASY INFLATION



EN - INSTRUCTIONS FOR USE - GYM BALL

(*) maximum

(*) maximum recommended size

IMPORTANT

WARNING: Failure to follow the inflation instructions could result in serious injury. Failure to follow the restrictions and precautions for use could cause the ball to burst, which could result in injury to the user.

WARNING: Avoid exposing the ball to direct sunlight, adverse weather conditions, or to high or low temperatures, as this could damage your ball.

PLEASE NOTE: Before you start using the ball, we recommend that you seek the advice of your doctor. The manufacturer cannot be held responsible for any injury or material damage resulting from use which does not follow these instructions.

1. RESTRICTIONS OF USE

Max. user weight: 130 kg / 286.6 lbs

Designed exclusively for users in good physical condition. Designed exclusively for sports training in the gym and pilates. Designed exclusively for private use, by individuals, indoors. Do not use the ball outdoors. The product is not suitable for medical use or for use as an office chair.

2. SAFETY PRECAUTIONS

A- SAFETY INSTRUCTIONS

Keep this document for future reference. This product is not a toy. This product has been designed exclusively for adults. PLEASE NOTE: The ball should only be used if it is in perfect condition (i.e.: no damage); do not use it if it is damaged. Never try to repair a damaged ball yourself. Avoid contact with sharp or pointed objects; the ball must be used on a clean surface. The ball must not be exposed to extreme temperatures: minimum 10°C (50°F) and maximum 30°C (86°F), especially on the ground so that the burst resistance remains effective.

B- INFLATION AND DEFLATION

Follow the inflation procedure.

Inflate only with air to the maximum recommended diameter of the ball for each size.

To inflate, use only the attachments and plugs provided, and the recommended pump.
- Size 1: max. recommended ball diameter: 55 cm (21.7")
- Size 2: max. recommended diameter: 65 cm (25.6")
- Size 3: max. recommended diameter: 75 cm (29.5")

Regarding the electric pump:

The device must not be cleaned using a high-pressure water jet.The device is not suited to a water jet or zone. Electrical waste must not be disposed of with household waste.Recycle when the appropriate facilities are available. Consult your local authorities or retailer for further advice on recycling.The cable or flexible cord of this transformer cannot be replaced;It the cord is damaged, the transformed must be scrapped.This is not a toy, it is a sports item.Keep out of the reach of children aged under 36 months.Long cord - Strangulation hazard. Contains small pieces which might break off and be swallowed. Must be assembled by an adult.

C- MAINTENANCE & STORAGE

Store clean, dry, out of direct sunlight and at a temperature between 10°C (50°F) and 30°C (86°F).

Clean with water; do not use harsh cleaning products. Dry with a clean cloth. Do not store on a varnished or waxed surface, such as parquet flooring.

3. GUARANTEE

24 months

The guarantee is void if the product is damaged due to misuse and/or lack of proper maintenance.

The guarantee does not cover indirect, incidental or consequential damages arising from the use of the product.
