

This image shows a multi-page user manual for a digital clock, specifically the Xcross400 model. The manual is presented in a grid format with 17 columns, each corresponding to a different language. The columns are labeled EN, FR, ES, DE, IT, NL, PT, PL, HU, RO, CS, SV, SK, and BG. Each column contains a large central diagram of a digital clock face with various controls and labels in the respective language. Below the diagram, there are several numbered sections providing instructions for setting up and using the device. The sections include: 1. Intuitive guide, 2. First use, 3. Using the stopwatch, 4. Display the alarm from the 'time' screen, 5. Settings from the 'time' screen, 6. Turn backlight on, 7. Display the date from the 'time' screen; and 4. Afficher l'alarme à partir de l'écran «heure», 4. Visualizar la alarma desde la pantalla «horas», 4. Visualizzare l'ora impostata per la sveglia a partire dalla schermata «ora», 4.
